percent of actual levels, and the estimates for the previous month be within (+) or (-) two (2) percent of actual levels. State agencies shall explain any unusual circumstances that cause benefit issuance and/or participation data to not meet these accuracy standards. If a State agency fails to meet these accuracy standards, FNS shall notify the State agency and assist the State agency in revising its estimating procedures to improve its reporting.

(iv) A participating household is one that is certified and has been, or will be, issued benefits (whether or not the benefits are used), and households that have met the eligibility requirements, but will receive zero benefits.

## § 274.5 Record retention and forms security.

- (a) Availability of records. (1) The State agency shall maintain issuance, inventory, reconciliation, and other accountability records for a period of three years as specified in §272.1(f) of this chapter. This period may be extended at the written request of FNS.
- (2) In lieu of the records themselves, easily retrievable microfilm, microfiche, or computer tapes which contain the required information may be maintained.
- (b) Control of issuance documents. The State agency shall control all issuance documents which establish household eligibility while the documents are transferred and processed within the State agency. The State agency shall use numbers, batching, inventory control logs, or similar controls from the point of initial receipt through the issuance and reconciliation process.
- (c) Accountable documents. (1) EBT cards shall be considered accountable documents. The State agency shall provide the following minimum security and control procedures for these documents:
  - (i) Secure storage;
- (ii) Access limited to authorized personnel:
  - (iii) Bulk inventory control records;
- (iv) Subsequent control records maintained through the point of issuance or use; and
- (v) Periodic review and validation of inventory controls and records by par-

ties not otherwise involved in maintaining control records.

(2) For notices of change which initiate, update or terminate the master issuance file, the State agency shall, at a minimum, provide secure storage and shall limit access to authorized personnel.

## § 274.6 Replacement issuances and cards to households.

- (a) Providing replacement issuance. (1) Subject to the restrictions in paragraph (a)(3) of this section, State agencies shall provide replacement issuances to a household when the household reports that food purchased with Program benefits was destroyed in a household misfortune.
- (2) Where a Federal disaster declaration has been issued and the household is eligible for disaster SNAP benefits under the provisions of part 280, the household shall not receive both the disaster allotment and a replacement allotment for a misfortune.
- (3) Replacement restrictions. (i) Replacement issuances shall be provided only if a household timely reports a loss orally or in writing. The report will be considered timely if it is made to the State agency within 10 days of the date food purchased with Program benefits is destroyed in a household misfortune.
- (ii) No limit on the number of replacements shall be placed on the replacement of food purchased with Program benefits which was destroyed in a household misfortune.
- (iii) Except for households certified under 7 CFR part 280, replacement issuances shall be provided in the amount of the loss to the household, up to a maximum of one month's allotment, unless the issuance includes restored benefits which shall be replaced up to their full value.
- (4) Household statement of loss. (i) Prior to issuing a replacement, the State agency shall obtain from a member of the household a signed statement attesting to the household's loss. The required statement may be mailed to the State agency if the household member is unable to come into the office because of age, handicap or distance from the office and is unable to appoint an authorized representative.
